Data Standards
Committee Interim
Status Report

FROM:

Marcus Reinkensmeyer, Director, Court Services Division, AOC

DISCUSSION:

The Steering Committee on Data-Based Court Performance and Data Standards was established in March 2020 and is charged with identifying court data that is needed to make data-based decisions related to case processing, court policy and management decisions, allocation of court resources, and data exchanges with other government entities. The Steering Committee is also charged with reviewing annual time standards data and recommending adjustments to existing time standards.

Mr. Reinkensmeyer will provide an update on the work of the Steering Committee, which includes review of the National Center for State Courts (NCSC) National Open Data Standards (NODS) and next steps.

The Steering Committee is also making a final case processing recommendation for Contested Protective Order Hearings.

RECOMMENDED COUNCIL ACTION:

Adopt a final case processing standard recommendation for **Contested Protective Order Hearings** of:

- 90% within 10 days
- 98% within 30 days

**Contested Protective Order Hearings – 90% within 10 days, 98% within 30 days
(5,201 cases, excludes the Superior Court in Pima County)**
